Contact (optional)	

C. INSTRUCTIONS TO THE PARTICIPANT

You are provided with the following document to read and provide feedback:

Purpose of Stakeholder Engagement

The NITA Curriculum is structured mainly into learning outcomes, content, training activities, assessment methods, and resource requirements to support competency-based training and assessment. This stakeholder engagement exercise aims to:

- Ascertain curriculum relevance, clarity, and completeness
- Verify suitability for competency-based training, assessment, and certification
- Identify gaps, redundancies, and areas for improvement
- Ensure the curriculum reflects current and emerging industry practices
